TELEX NR. PHYSI A 116222

Vienna, April 12, 1991

To whom it may concern:

This is to certify that Dr. Tonatiuh MATOS was a guest at our institute during the academic year 1989/90. In October 89 Dr. Matos and I started a scientific collaboration on special methods for generating gravitational wave solutions to Einstein's field equations. Results of this investigation were presented at the SILARG VII conference and will be published in a forthcoming paper.

Prof. Dr. P. C. Aichelburg
(Director)
