MS

Dr. Matos, good morning,

What follows is the "formal" communication to our invited speakers - I know we've already spoken, so please excuse the formal tone of this one. I didn't want to leave anything out!

I'm Matt, and I'm the Graduate Student representative on the Canadian Association of Physicists' Advisory Council - as such, that puts me as one of the organizers of the Canada-America-Mexico Graduate Student Physics Conference (CAM2019). On behalf of all the people organizing the conference, I'd like to thank you for agreeing to be an invited speaker, and I'm reaching out to make sure that we're supporting your travel planning appropriately.

The CAM2019 conference is running July 24th - 27th, according to the schedule here:  
<https://cam.cap.ca/index.php/schedule/>

Wednesday, July 24 <sup>th</sup>		Thursday, July 25 <sup>th</sup>		Friday, July 26 <sup>th</sup>		Saturday, July 27 <sup>th</sup>

## Schedule - CAM

[cam.cap.ca](https://cam.cap.ca)

As you will see, we have your plenary talk scheduled for **Friday July 26th at 8:00 am**. We have scheduled an hour for all plenary speakers; please feel free to use as much of that time as you would like for your talk, up to maybe 45 minutes or so to allow for questions afterward?

We would like to offer to cover conference registration costs and accommodation costs in Sudbury if you would like - there's a choice of staying on campus in student residence, or staying off campus in a hotel. We're a small conference, so we can offer to either cover the cost of residence, or defray that amount for a hotel room. We'd certainly like to be able to cover it all, and we appreciate your understanding on that.

We have three panel sessions planned, all of course aimed at helping physics graduate students understand various aspects of academic life. They are:

Careers and Planning (Thursday July 25th, 2:30 pm)

Funding in Science (Friday July 26th, 3:30 pm)

Publications (Saturday July 27th, 11:00 am)

We would be very interested in having international representation on these panels - as you might guess, our ability to find panel participants is very Canadian. We'd like to invite you to participate on any of those panels that you'd find interesting - please let me know if you're interested in any of those.

And, finally, thank you for signing up for a SNOLAB tour.

Thanks again for agreeing to be part of CAM2019, I look forward to seeing you in Sudbury, and please let me know if you have any questions!

**Matt Steffler**

PhD Student - Physics Education

University of Guelph - MACN 403

Canadian Association of Physicists Advisory Councillor
