Dear Colleagues and Friends

As you know, at the beginning of July there will be the 16th Marcel Grossmann Meeting (see <http://www.icra.it/mg/mg16/>). However, due to the pandemic, it will be in an online format, and unfortunately there is a registration fee, namely, 150 euro, for the early bird registration until the end of April.

This is to cordially invite you to contribute with an invited talk to the AT3 parallel session (Wormholes, Energy Conditions and Time Machines):

Please let us know if you are available.

More details will follow.

Yours Sincerely,
 Francisco Lobo and Diego Rubiera-Garcia
 (chairs of the MG16-AT3 parallel session)
