Dear Tonatihu,

Thank you for your participation in BIRS's hybrid workshop. We hope that you found it useful and stimulating. I wish to extend a special thank you to the organizers: Edgar Gasperin Garcia, Jose-Luis Jaramillo, Badri Krishnan and Juan A. Valiente Kroon, for all their hard work starting with putting their successful proposal together almost 2 years ago and ending with superb program organization.

If your participation at BIRS has helped your research program in any way, BIRS would love to hear from you! You can either write me directly by replying to my mail, or you can use our feedback form for the event, at:
