Valencia, 18.05.2022

Dear Dr Tonatiuh Matos

On behalf of the Local Organizing Committee, we are pleased to confirm your registration to the European Astronomical Society Annual Meeting 2022 (EAS 2022) to be held in Valencia, Spain from June 27th to July 1st, 2022.

The European Astronomical Society Annual Meeting 2022, organized by the European Astronomical Society (EAS), is a unique platform for professional astronomers to present outstanding scientific results and establish or strengthen scientific collaboration throughout Europe and beyond.

We can confirm your booking as follows:

Passport information			
	Expiry date	10/10/2027	
	Date of birth	20/09/1958	
	Passport number	G26848051	
	Nationality	Mexico	
Registrations			
	* ONLINE * registration	(x1)	Paid: 80.00 EUR
Presentation(s)			
We also confirm that the following paper(s) has/have been submitted to the scientific committee.			
Title:	Can Quantum Mechanics explain the Dark Universe?		Presentation Type: Contributed talk
Payment			
	Payment Date:	13.05.2022	Total Amount paid: 80.00 EUR

Please note you will be responsible for your own costs incurred for attendance at the meeting.

Also note that the organizers are not liable for any accident or medical expense, which might occur during your visit. For that reason, we kindly recommend that you examine your insurance coverage and if necessary contract an additional health and accident travel insurance for the duration of your stay in Spain.

We are looking forward to welcoming you to Valencia.

Yours Sincerely,

Prof. Jose Carlos Guirado
Co-chair of the Hosting Committee & SOC
Observatori Astronòmic, Universitat de València
Parc Científic. C/ Catedrático José Beltrán 2
